

Money Champions

Week 1

Wisdom: Getting to know your money!

If you're going to get better at spending and saving, then you need to know your money! This week's challenge is all about knowing your money well.

Activity: What can you do?

Create a short quiz for your 'Money Champion'. You could use some of our sample questions from our quiz sheet below, or even write your own. Choose between 5 and 10 questions you think would be suitable for your child's age and ability. If they find the questions really easy, then try some that are a little more difficult and challenging!

Money Quiz Questions

- We have two types of physical money (that we can touch and hold) they are called coins and notes. Paper money, or notes comes in 'POUNDS'. What do we call coins?
- How many pence are in one pound?
- Can you draw the symbol we use for pounds?
- Whose face do we see on one side of our coins? Whose face is that going to change to?
- One side of our coins we call heads, what do we call the other side?
- How do you know how much a coin is worth?
- How many different coins do we use?
- How many different notes do we use?
- How many copper-coloured coins do we have?
- Which coins are silver coloured?
- Which coins have gold-coloured edges?
- How many 2p coins do you need to make 10p?
- How many 10p coins do you need to make £2?
- If I have three coins that total 26p, what coins do I have?
- If I buy something that costs 20p and I pay with a 50p coin. How much change will I get?
