

# Money Champions

## Week 3

### Justice: I want to be rich!

Sometimes we talk about people who are rich. We usually mean they have lots of money. We might not be rich like those sorts of people, but there might be things in our lives that we we are rich in other than money.

### Activity: What can you do?

**Think about** what you might be rich in... are you rich in some form of item? (you might have lots of hoodies – more than you need, or lots of games for your console – some of which you have but you don't use) Make a list of your 'riches'. Remember, you can be rich with love and affection from friends and family too! What do you wish you could be richer in? Are you 'too' rich in anything? (do you have too many of one type of thing?) What could you do about that?

## Challenge: What Next?

Post a picture or drawing on **Twitter** or **Facebook** of the things you are rich in, or maybe of the things you would like to be richer in and explain why you would like to be richer in those things. You could even create short video clip of you talking about the things that you have that you are rich in or the things you wished you had and why they would make you richer!

## Tell us what you are doing!

**Don't forget** to tag us using **@justfinancefdn** and use the hashtag **#MoneyChampions** throughout the **Money Champion** challenges and activities – be as creative and as innovative as possible. We want to see your photos, drawings and videos and anything else you would like to share! We will be looking out for your creative posts and will share as many as possible!
